

# GOLDEN TEE PGA TOUR

## The Golden Tee PGA TOUR Edition Cabinet will Include:

- A refined control panel that features a 5" touchscreen display.
- This touchscreen will replace the keypad to allow players to log into their accounts.
- A Near-Field-Communication (NFC) device for contactless login and payments, which will allow players to check-in and pay from their Apple and Android devices.
- The cabinet will also include LED lighting, cupholders, and a 55" 4K commercial grade television that will optimize the visual and audio experience.

## The Game:

- 3 PGA TOUR courses plus over 80 Golden Tee courses.
- New game modes to keep the players coming back.
- Yearly subscriptions will provide year-round content delivered via WIFI.
