

TouchTunes

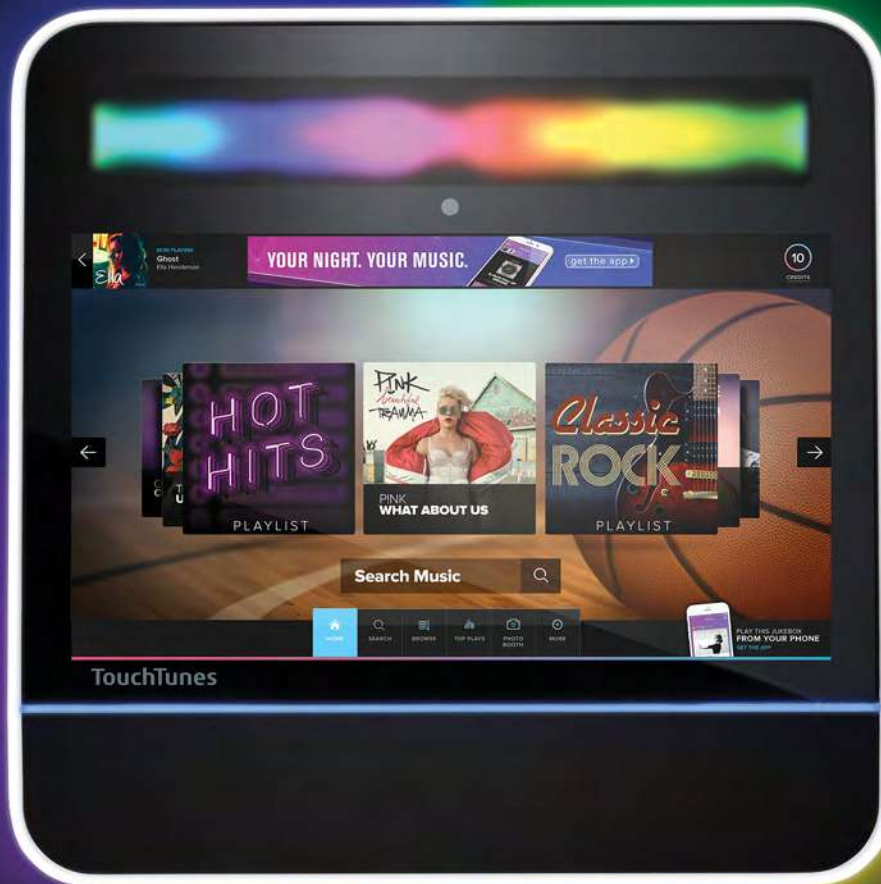

Featuring the most sophisticated, music-driven lighting ever delivered on a jukebox,
THE ANGELINA DEFINES A NEW STANDARD FOR DESIGN AND PERFORMANCE.

Features the most sophisticated and engaging music-driven lighting experience ever delivered on a jukebox!

PERFECT FOR TODAY'S ENTERTAINMENT-VENUES

- With clean lines, a distinct white rim light and a “floating” appearance, Angelina is instantly recognizable.
- Projects a large presence while only requiring 24” of horizontal wall space.
- Customizable music selection and look and feel makes it right for any audience or venue.

ENGAGES & INSPIRES LIKE NO OTHER

- Innovative algorithms accurately visualize the music's rhythm and beat, creating an all-new energy and depth to the lightshow.
- Customizable, four-zone wall-wash lighting lets you pick from pre-set color combinations or create your own.
- Themed screen backgrounds can be customized and strengthen contextual connection to your venue
- Unique top visualizer flows with the music and gets noticed. Choose the visualizer pattern and color that's right for each venue or event.
- Customizable music experience includes dozens of expertly programmed playlists and is fun and easy to use.

INTEGRATED PHOTOBOOTH DRAWS A CROWD

With the touch of a button, Angelina transforms into an interactive photo booth that inspires your customers to be spontaneous. TouchTunes PhotoBooth draws a crowd and adds a new dimension of social interaction.

- Features seasonal and holiday-themed promotions that venues can incorporate into their promotional plans and activities.
 - Can be customized to reflect your messaging and brand.
- The music never stops. Jukebox music keeps playing while PhotoBooth is in use.

TouchTunes

TouchTunes brings innovative entertainment solutions to over 65,000 venues across North America. Our jukebox network is designed to create unique experiences that attract customers and encourage them to engage. In addition to delivering an incredible music experience, TouchTunes also provides a multi-application platform that engages patrons with alternative entertainment experiences including mobile, photo booth, and TouchTunesTV.
